WISCONSIN STATE FAIR PARK
Exhibitor Services Order Form - Rules and Regulations

1. PAYMENT INFORMATION

- a. Wisconsin State Fair Park (WSFP) accepts company checks, money orders, Master Card, Visa, Discover, or AMEX for payment subject to verification.
- b. Exhibitor service orders and payment IN FULL must be RECEIVED a minimum of fourteen (14) days prior to the show opening date to qualify for ADVANCED PRICING. Orders submitted without full payment and orders received after the 14 day cut-off date are subject to STANDARD PRICING.

2. RATES AND LABOR CHARGES

- a. Rates quoted for all connections cover only the bringing of service to the booth in the most convenient manner, and DO NOT include connecting equipment to provided services.
- b. Special placement or relocation of service will result in a labor charge. Payment IN FULL shall be rendered before service is installed. Arrangements for payment of Labor & Services must be made before service is installed.
- c. Services ordered during exhibitor move-in may not be installed before the event opens.
- d. Overtime rates apply after 5:00 p.m. Mon-Fri and weekends, Saturday/Sunday.

3. INSTALLATION OF SERVICES

- a. Order forms must be completed in full to avoid processing and installation delays.
- b. Orders will be processed and installations completed on first-come, first-serve basis, or as WSFP determines most convenient.
- c. All materials and equipment furnished by the WSFP for services ordered shall remain the WSFP's property and shall be disconnected and removed ONLY by WSFP personnel.
- d. Service will begin on the start date and end after the close of the event unless special arrangements for early connect and/or late disconnect are made.

4. CANCELLATION POLICY

- a. If cancellation occurs before installation, 100% REFUND.
- b. If cancellation occurs after installation or after the start of the first scheduled move-in day: NO REFUND.

5. SERVICE GUIDELINES

SECTION A TELEPHONE

- Telephone Service: All telephone lines ordered will provide long distance dialing capabilities only if checked on the order form and will be charged to the credit card.
- Equipment: ONLY WSFP's digital phone sets can be used with digital telephone lines due to signal, device, and system compatibility. Equipment ordered is for RENTAL ONLY. Exhibitor is responsible for full retail value for any equipment that is stolen or not returned.

SECTION B ELECTRICAL

- Special Voltage and/or other specialized power requirements must be received at least thirty (30) days prior to exhibitor's scheduled arrival and move-in. Electrical Services Available: 120 volt, A.C., 1 Phase 60 cycle and 208 volt, A.C., 1 phase & 3 Phase 60 cycle, and 480 volt, A.C., 3 Phase 60 cycle.
- 24-hour power will only be provided to those locations that have ordered and paid for 24-hour service. Exhibitors are responsible for turning off all powered equipment at the close of each day. Failure to do so will result in additional costs.
- Electrical Connections: Exhibitors or exhibitors' agents may plug into purchased outlets and connect signal wiring (i.e. an antennae, audio, video, and speakers) within a booth or between the exhibitor's equipment with one booth. Otherwise, under NO circumstances shall anyone other than house electricians make electrical connections. Power requirements crossing aisles will not be installed unless approved by show management AND our Event Services Department.
- Obstructions blocking utility floor boxes are subject to relocation as necessary. House electricians are authorized to cut floor coverings to permit installation of service unless otherwise directed. Standard wall, column and permanent building electrical outlets are not a part of booth space and are not to be used by exhibitors unless specified otherwise.
- Prohibited usage: Use of open clip sockets, latex or lamp cord wire, or unapproved duplex or triplex attachment plugs and batteries in exhibits are prohibited.
- Equipment: All equipment must be properly tagged or marked with complete information as to the type and/or amount of current, voltage, phase, frequency, horsepower, etc. required. 120 volt cords must be of the 3 wire, grounded type. All exposed non-current carrying metal parts of fixed equipment, which are liable to be energized, must be grounded. We reserve the right to refuse connection to any exhibitor whose equipment is deemed unsafe by our electrical supervisors. Special equipment requiring company engineers or technicians for assembly, servicing, preparatory work and operation may be executed without house electricians. However, all equipment regardless of the source of power, must comply with all Federal, State and Local Safety Codes.
- WSFP is not responsible for voltage fluctuation or power failure due to temporary conditions beyond our control. For your protection, please install a surge protector on computers and other sensitive equipment. All electrical installations and connections to electrical service must be made by a house electrician unless prior approval has been granted by the WSFP. WSFP will not be responsible for damage or loss to any equipment, components, computer hardware, software or data, or injury to any person caused by the unauthorized installation of any equipment, connection to service, or wiring of any equipment by persons other than house electricians
- Sharing of services is prohibited.

SECTION C INFORMATION TECHNOLOGY

- The purchase of an IP address is for ONE DEVICE ONLY. The use of routers, switches/hubs, DHCP, wireless LANs or other applications that allow the sharing of an IP address between multiple devices is PROHIBITED unless approved in writing by the WSFP. Individuals in violation of this policy will be subject to the DISCONNECTION of their service.
- The WSFP is not responsible for damaged personal equipment and/or personal injury caused by the misuse of provided telecommunication and/or data service(s). Any tampering with IT equipment (including but not limited to exhibit floor utility boxes, cabling, or rented equipment) at any time may result in the disconnection of ordered service(s).

SECTION D MECHANICAL

- Service Connections: Under NO circumstances shall anyone other than house engineers make service connections unless prior approval has been granted by the WSFP. Service requirements crossing aisles will not be installed unless approved by show management AND our Event Services Department. Obstructions blocking utility floor boxes or other service access points are subject to relocation as necessary. House staff is authorized to cut floor coverings to permit installation of service unless otherwise directed.
- Equipment: All equipment must comply with all Federal, State and Local safety Codes. Where applications require critical regulation of pressure, flow, or moisture content, the exhibitor is responsible for supplying the necessary regulator, conditioner, etc. All equipment must be properly tagged or marked with appropriate information about requirements or tolerances regarding pressure, flow, capacity, rate-of-fill, and/or other factors pertinent to safety. WSFP reserves the right to refuse connection to any exhibitor whose equipment is deemed unsafe by an engineering supervisor. All materials and equipment furnished by WSFP remains WSFP property and shall be disconnected and removed only by WSFP house engineers at the close of the show. Tanks, drums, barrels, and other containers requiring water fill and drain exceeding 30 gallon capacity must be filled and drained by house engineers and are subject to a service charge. WSFP reserves the right not to fill any container that shows signs of leakage or is otherwise deemed inadequate by an engineering supervisor. Containers showing signs of leakage will be drained by a house engineer without prior notice.
- NOTICE: Exhibitor assumes full responsibility for any damage to WSFP equipment and facilities caused by faulty exhibitor equipment or negligent operation of exhibitor equipment. WSFP cannot accept responsibility for pressure fluctuations due to temporary conditions beyond our control. For your protection we advise installing appropriate regulators on any connection requiring critical control of pressure, moisture content, etc. All installations and connections to mechanical services must be made by house engineers. We will not be responsible for damage or loss to any equipment or components, or injury to any person caused by the unauthorized installation of any equipment, connection to service, or interconnection of any equipment by persons other than house engineers.

Prices subject to change without notice.
