Volume 3, Issue 4

November 2004

PFMA Inc. President's Report

PFMA Inc. held its annual meeting in Madison, Wisconsin, on October 16th, 2004. At this meeting the By-Laws as approved by the membership were formally implemented. The chapter representatives reported on membership data, activities and a general state of their respective chapters.

In an effort to follow up on one of our statements: "What can we do for YOU" communications must be conducted with members covering four generations. This can be difficult at times because the needs of the Greatest Generation or Baby Boomers may be meaningless to the X and Echo generations. On top of that, we need help understanding the language of each generation. To help open up the lines of communication with the younger generations, a presentation was given by Roe M. Parker: "Will Generation X hoe to the End of the Row?" We hope to put this information to good use in developing new chapters, generating new membership, and better responding to your needs.

Two reminders: First, the cold months are coming fast. With the cost of energy sky-rocketing, every effort should be taken to put equipment, buildings and grounds into tip-top operating condition.

Second, two great plant engineering and facilities maintenance Expos are scheduled for spring. The PFMA Central Wisconsin Expo will be held on Tuesday, March 15 at Stoney Creek Inn, Wausau, Wisconsin. This is a new location for our Expo. See the ad in this issue for more information. The PFMA Milwaukee Area Expo will be held April 13 & 14, 2005 at Wisconsin Exposition Center, State Fair Park. Mark your calendars to visit these trade shows and the great vendors exhibiting. Attend a seminar at one or both shows. To confirm your booth space, contact Stefanie

Mike Klaus, PFMA Connection Editor, grilling brats during a Milwaukee Brewers baseball game to raise money for PFM Foundation Scholarships, June 2004, Miller Park, Milwaukee, WI.

Dow: sdow@wi.rr.com. To pre-register for an attendee name badge for both shows, visit the PFMA website: www.pfmainc.com.

Our wishes go out to each of you to have a great Holiday Season.

Jim Lang, President
PFMA Inc.

Messages

**President's Message
Milwaukee Area Chapter**

As 2004 winds down I would like to thank all of the members that have volunteered their time and effort this year at the Golf Outing, Brewers Games, Membership Meetings, Organization Meetings, and Educational Seminars. Without these volunteers we could not have accomplished what we have.

The PFMA has applied to the International Association for Continuing Education and Training (IACET). Once we are approved, our training program will be able to issue a CEU to the people attending these classes. Hopefully, by the time that this issue is in your hands, we will have that approval. Ted Kucharski has been working on this for over a year, so the next time you see Ted give him a pat on the back. If there are any companies out there that would like to have a training program set up for their special needs please contact Ted for further information.

I am happy to announce that the volunteers that worked at Miller Park this last summer raised \$5500.00 to be used for scholarships by the Foundation. We hope to increase that amount next year by adding additional volunteers.

We have purchased a 2005 Harley Davidson FLSTF FAT BOY to be used for a raffle that will be held at the 2005 Expo. Tickets are \$5 each or 3 for \$10. If any member is interested in helping out in the sales of these tickets before the show please contact Al Tredo at: atredo@lselectric or 262-886-1875.

Don't forget to check the PFMA website (www.pfmainc.com) for up-to-date information about what is going on with the Milwaukee Chapter and the other chapters around the state.

We are currently at 320 members. I would like to see this grow by at least 10% in 2005. One of the ways that we can achieve this is by encouraging all our members to attend our monthly meetings and bring a prospective member with them as a guest. We are going to use the January meeting for a membership drive. Any member bringing a prospective member with them will receive their guest's dinner and their own dinner free.

Tom Randolph

Ken Kieck receives the Member of the Year Award at the PFMA Milwaukee Area Chapter recognition dinner at The Golden Mast, Okauchee, WI. Congratulating Ken are last year's recipient, PFMA Treasurer John Skadahl and PFMA Milwaukee Area Chapter President Tom Randolph.

Messages

**Chairperson's Message
Kent Chapter, PFMA Canada**

Can you believe that it is October already? We have gone from planning events involving rounds of golf to trying to find locations where the elements and weather won't cause a cancellation. Increasing membership and locating executive committee nominations has turned into quite a challenge due to the unstable local economy. We have seen a few plants close over the year and others cutting back which has had a direct effect on our organization.

Our executive committee is in the process of organizing a technical dinner meeting including a presentation on new and updated regulations for machine safeguarding standards. We plan to have representatives with table top displays for products and services with regard to the topics discussed, a drive to gain new members and peak interest for executive committee nominations.

The PFMA Canada Spring Expo 2005 is still in the initial planning stages but has been receiving a very positive response from companies and industry that have been contacted to-date. We have completed some initial surveys of past participants and a large percentage are looking forward to attending the event. Since this is an international organization we would like to invite other member organizations to participate in our Maintenance Expo to be held in April, 2005. If you are interested please feel free to contact me at presidentpfma@kitac.ca.

In closing, I would like to thank our executive committee and members for the effort they are putting forward to keep our organization moving forward even in the tough times. Keep up the good work!

Steve Urry
Chairperson
PFMA Canada

Message

**President's Message
Marshland Chapter**

Fall is here and even though we didn't have much of a summer, the fall colors are fantastic!!!!

Our Chapter has designed a 2005 calendar to be used as a fundraiser. There are 365 cash prizes available totaling over \$ 4,500.00! The calendars require us to be licensed by the State of Wisconsin. We had 1,000 calendars printed and they are available for \$10 each. Anyone interested in purchasing a calendar should contact any member of the Marshland Chapter.

The Marshland Chapter started the fall meeting schedule with a presentation on wind power presented by Doug and Cindy Decker. The Deckers' own the land along Highway 41 south of Fond du Lac with the two giant windmills. The presentation included the permits, land development needed, erection of the towers, and the cost savings for power.

Our October 19, 2004, meeting was a joint meeting with the Milwaukee Chapter on a tour of Miller Park. The tour was tailored for the mechanical side of the facility.

Our November meeting will be presented by Johnson Controls at Lori's in Lamartine, November 17, 2004.

Our December Meeting will be the Christmas Party/Spouse Night, December 15, 2004.

Al Tredo running the auction at the PFMA Milwaukee Area Chapter Membership Meeting, September 21, 2004, Panos' Charhouse, Brookfield, WI.

We are continually looking for ways to attract new members and are open for suggestions for tours and making our meetings more educational.

Hope to see you at a future meeting. We welcome prospective members and members from other chapters.

Doug Prunty, President
Marshland Area Chapter, PFMA

Is your water too hard to handle?

Hard water can form build-up in pipes, decrease the efficiency of water-using appliances and cause more money to be spent in repairs, new equipment and energy bills. Kinetico's commercial water treatment solutions incorporate state-of-the-art technologies to condition water to your needs. And with Water Doctors, Wisconsin's largest Kinetico dealer, support is always nearby.

President's Message Central Wisconsin Chapter

Joe Hertel, Wisconsin Department of Commerce, presents "Understanding the Electrical Code" at the PFMA Central WI Expo, March 23, 2004, Holiday Inn & Conference Centre, Stevens Point, WI.

Now that summer is over, PFMA chapters are getting into full swing. The national elections are over (hope you voted) and it is time to make your commitment to become involved or more involved in a PFMA chapter near you.

PFMA can and does offer many opportunities to acquire information, knowledge and ideas to improve your personal or company's ability to improve maintenance control.

Many programs offer insight as to new concepts of maintenance as well as a friendly exchange of information with fellow members. Our recent tour of Amron Corp. in Antigo, WI highlighted several different techniques in inspection and documentation as required by the U. S. Government.

Please look at the Calendar of Events published in this issue and at the PFMA website (www.pfmainc.com). We urge you to attend all of your chapter's meetings.

Any subjects or tours that are of interest but not scheduled can be included if you contact Paul Schlaefter who is our PFMA Central WI Chapter Meeting Chairperson.

The more attendees and/or subjects we can incorporate, the better our chapter can serve you.
Hope to see you soon!

Neil Stein
Vice President
PFMA Central Wisconsin Chapter

Absorbents

Carpenter Brothers, Inc., Contact: Nick Gerrits, 4555 W. Schroeder Drive, Ste. 100, Milwaukee, WI 53223. Phone: 414-354-6555, Fax: 414-354-6610, Website: www.carpenterbrothersinc.com. Multi-purpose dense, granular absorbent. Formulated to absorb all types of hydrocarbons and all types of aqueous solutions. Non-intrusive, non-abrasive, non-flammable. Absorbs odors -- leaves surfaces dry.

Aerial Work Platforms

Wisconsin Lift Truck Corp., Contact: Pat Ryan, Sales Manager, 3125 Intertech Drive, Brookfield, WI 53045. Phone: 262-781-8010, Fax: 262-781-7622, Website: www.wisconsinlift.com, Email: wltmk-tg@wisconsinlift.com. Your full service, single source material handling distributor. New and used equipment, sales, rentals (short and long term, lease), resource assessments, fleet management, parts, service, plant and warehouse services, technician and operator training. See ad index for ad.

Air Cleaning & Purifying

Airway Sales, Inc., Contact: Mike Zimmermann, P.O. Box 416, Jackson, WI 53037. Phone: 262-306-9283, Fax: 262-306-9284. Replacement filters for HVAC, compressors and paint spray booths.

Clasman Corporation, Contact: Sean T. McGlenn, 2025 W. Mill Road, Milwaukee, WI 53209. Phone: 414-228-1213, Fax: 414-228-9626, Website: www.clasman.com, Email: seanm@clasman.com. With over 88 years of experience, Clasman can provide system analysis, equipment and products to improve indoor air quality.

Filtration Solutions, Inc., Contact: David Goss, 2238 W. Bluemound Rd. Ste. C, Waukesha, WI 53186-2920. Phone: 262-717-9740, Email: fs-inc@execpc.com. Filters, filtration products, filtration services, dust collection filters and equipment.

Animal & Bird Control

Critter Control of Milwaukee, Contact: Jerry Herning, 26550 Marion Court, Wind Lake, WI 53185. Phone: 262-895-7600, Fax: 262-895-2493, Website: www.crittercontrol.com, Email: jherning@tds.net. Removal of nuisance animals and prevention. Also bird control. See ad index for ad.

Asphalt Paving Contractors

Black Diamond Asphalt, Contact: Dan Duffey, 124 E. Rawson Avenue, Oak Creek, WI 53154. Phone: 414-762-8050, Fax: 414-762-2375, Website: www.blackdiamondgrp.com. Full service asphalt producer and contractor servicing all of Southeastern Wisconsin since 1959.

Poblocki Paving Corp., Contact: John Poblocki, 525 S. 116th Street, West Allis, WI 53214. Phone: 414-476-9130, Fax: 414-476-9132, Website: www.poblockipaving.com, Email: info@poblockipaving.com. Poblocki Paving Corp. provides the following pavement related services to new and existing facilities: Engineering, excavation, grading, plumbing, landscape, hardscape, sealcoating, striping, StreetPrint, Dura Therm infrared patching, concrete and snow plowing/salting.

Automated Systems/Machinery

Manufacturing Process Technologies Inc., Contact: Mark Parsons, 1411 Highway 21 South, Box 788, Dresden, Ontario, Canada N0P 1M0. Phone: 800-641-4407, 519-683-6122, Fax: 519-683-6028, Website: www.mptinc.com, Email: mark@mptinc.com. Custom engineered solutions to your production, inspection or material handling productivity challenges.

Batteries

Batteries Plus, Contact: Ron Wiza, 925 Walnut Ridge Drive, Hartland, WI 53029. Phone: 262-369-0690, Fax: 262-912-3100, Email: jmedinger@batteriesplus.com. Industrial batteries.

Bearings & Power Transmission

Allied Bearing Co., Contact: Dick Hanson, 3525 W. Lincoln Avenue, Milwaukee, WI 53215. Phone: 414-672-3111, Fax: 414-672-9717. Any type of bearing. Gates belts and pulleys, chain and sprockets, oil seal; We sell from stock!

BDI, Contact: Ed Michaelis, 11925 West Ripley Avenue, Milwaukee, WI 53226. Phone: 414-777-1500, Fax: 414-777-1537, Website: www.bdi-usa.com, Email: emichaelis@bdi-usa.com. Bearings, power transmission equipment, belting, fluid power products.

Bearings, Inc., Contact: Chuck Gibson, 4801 W. Center Street, Milwaukee, WI 53210. Phone: 414-457-5353, Fax: 414-444-8855, Website: www.bearingsinc.net, Email: bimilwaukee@bearingsinc.net. All types of bearings, v-belts, sheaves, motors, couplings, reducers, roller chain & sprockets, tailored release shipments, engine assistance.

Chatham Bearings & Supplies Ltd., Contact: Peter Davidson, P.O. Box 1015/437 Riverview Drive, Chatham, Ontario, Canada N7M 5L6. Phone: 519-354-6580, Fax: 519-354-1363, Email: chtmgrs@ciaccess.com. Bearings, power transmission components, linear bearings.

Weimer Bearing & Transmission, Contact: Frank Stangl, W134N5368 Campbell Drive, Menomonee Falls, WI 53051. Phone: 262-781-1992, Fax: 262-781-3034, Website: www.weimer-bearing.com, Email: frank.stangl@weimerbearing.com. Locally owned distributor of bearings, conveyors, couplings, gears, synchronous and v-belt drives, sprockets and other power transmission components. Six stocking locations to serve your immediate needs.

Building Maintenance

Service Painting Corporation, Contact: Bill Burczyk, W137N8568 Landover Court, Menomonee Falls, WI 53051. Phone: 262-250-8100, Fax: 262-250-8110, Website: www.servicepaintingcorp.com, Email: bill@servicepaintingcorp.com. For plant and facility maintenance painting, industrial coating application, tank relining, abrasive, chemical or high-pressure cleaning, Service Painting is your single-source contractor. Proudly serving the Midwest since 1955!

Building Restoration

Concrete & Masonry Restoration, LLC, Contact: Timothy Gibb, 7290 N. Teutonia Ave., Milwaukee, WI 53209. Phone: 414-540-9600, Fax: 414-540-9501, Website: www.cmscmr.com, Email: tgibb@cmscmr.com. For commercial and residential we offer: concrete restoration, specialty coatings, waterproofing, caulking and pressure injection.

2005 PFMA Products & Services Directory

Building Maintenance/Commercial Cleaning

L & A Crystal Services, Contact: Bob Nelson, 11110 N. Wauwatosa Rd., Mequon, WI 53097. Phone: 262-512-9790, Fax: 262-512-0393, Website: www.lacrystal.com, Email: bohn@lacrystal.com. We are a commercial cleaning and building maintenance contractor offering complete janitorial service as well as remodeling/repair/construction in Southeastern Wisconsin.

Chemical Consulting

Tyson & Associates, Contact: John Tyson III, 399 150th Ave., Madeira Beach, FL 33708. Phone: 727-481-4817, Fax: 727-392-5770, Email: johntyson@msn.com.

Power Management Solutions, Inc.

2560 48th Street South – Wisconsin Rapids, WI

Comprehensive Power Quality

Because it takes more than a generator to keep your facility up and running during a Power Problem, here are just a few of the ways PMS works for you:

- Single/Three Phase UPS Sales
- UPS Battery Replacement and Service
- Generators
- Site Surveys & Design Specs
- Run Time Configurations
- Warranty/Service Contracts
- Power Auditing and Consulting
